

## **ChristianMingle, the Leading Christian Dating Site, Is Now Available for Spanish-Speaking Christian Singles in App**

August 1, 2016 10:01 AM ET

LOS ANGELES, CA -- (Marketwired) -- 08/01/16 -- [ChristianMingle](#)®, the largest and most trusted online dating community for single Christians, announced today that for the first time it is offering an all-new Spanish-language version of its app to the growing Hispanic community of Christian singles who are seeking long term faith-based relationships.

The Spanish-language app is the latest offering launched by Spark Networks®, owner of dating communities [CROSSPATHS](#)®, [JSWIPE](#) and the iconic [JDate](#)®. For the first time ever, the Spanish translation will allow for cultural nuances that are important to connecting in the dating world, giving people the ability to speak with each other in Spanish, while still allowing the Hispanic community to access the broader English-speaking members.

ChristianMingle encourages genuine connections and personal interactivity by offering the following user benefits now to our Spanish-speaking members:

- Browse profiles for free.
- Chat instantly with singles who are on the site or in the app.
- Play "Secret Admirer" anonymously and be matched with other interested singles.
- Send and receive messages.
- Send free "Smiles" to those who grab your attention.
- See who "Viewed You".
- Search our online personals community for a match "Nearby".

"We are pleased to offer Spanish-speaking Christian singles the opportunity to search for lasting and fulfilling relationships within their faith spectrum on ChristianMingle," said Michael Egan, Chief Executive Officer, Spark Networks. "The launch of this new app represents our commitment to serve the growing Hispanic online dating community who are seeking that special connection with those who shares similar values and beliefs."
