Safe Harbor Statement:

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, statements involving known and unknown risks, uncertainties, and other factors that may cause Spark Networks' performance or achievements to be materially different from those of any expected future results, performance, or achievements. These statements include statements regarding Spark Networks' strong business momentum, Spark Networks' financial outlook and guidance for the first quarter of 2021, including with respect to Adjusted EBITDA and revenue, the impact of COVID-19 on Spark Networks' business and Spark Networks' growth potential and foundation for future growth.

Any statements in this press release that are not statements of historical fact may be considered to be forward-looking statements. Written words, such as "believes," "hopes," "intends," "estimates," "expects," "projects," "plans," "anticipates," and variations thereof, or the use of future tense, identify forward-looking statements. By their nature, forward-looking statements and forecasts involve risks and uncertainties because they relate to events and depend on circumstances that will occur in the near future. There are a number of factors that could cause actual results and developments to differ materially, including, but not limited to, the risk that the benefits from the acquisition of Zoosk, Inc. may not be fully realized or may take longer to realize than expected; risks related to the degree of competition in the markets in which Spark Networks operates; risks related to the ability of Spark Networks to retain and hire key personnel, operating results and business generally; the timing and market acceptance of new products introduced by Spark Networks' competitors; Spark Networks' ability to identify potential acquisitions; Spark Networks' ability to comply with new and evolving regulations relating to data protection and data privacy; general competition and price measures in the market place; risks related to the duration and severity of COVID-19 and its impact on Spark Networks' business; and general economic conditions. Additional factors that could cause actual results to differ are discussed under the heading "Risk Factors" in Spark Networks' Annual Report on Form 10-K for the year ended December 31, 2020 and in other sections of Spark Networks' filings with the Securities and Exchange Commission ("SEC"), and in Spark Networks' other current and periodic reports filed or furnished from time to time with the SEC. All forward-looking statements in this press release are made as of the date hereof, based on information available to the Company as of the date hereof, and the Company assumes no obligation to update any forward-looking statement except as required by law.
